With funds from the German Federal Ministry of Economic Co-operation and Development through TERRA TECH Förderprojekte e. V. , Social Enterprise Development - Sierra Leone (SEND- Sierra Leone) in partnership with the Government of Sierra Leone constructed a science school to improve the quality of education for girls in Kenema.

This school named the Nyapui Senior Secondary School of Excellence (NSSSE) focuses on science subjects to empower and promote STEM education for girls. It is now operational with trained and qualified teachers in the sciences. The school provides a well-equipped modern facility such as laboratories for ICT, Biology, Chemistry and Physics, an installed solar power to supply electricity and water, a school bus, hostel facilities in a fenced compound providing security for the girls, management and staff of the school.

As a result, the Board of Governors of the Nyapui Senior Secondary School of Excellence invites applications for the following positions:
